

FRUIT NOTES INDEX 1985-86

Volume 50

- WNT '85 Fruit Notes Subscription
WNT '85 The Tree-fruit Industry in the United Kingdom: Changing to Survive
WNT '85 Pomological Paragraph--Performance of Interstem Trees
WNT '85 A Report on the 1984 Apple IPM Program
WNT '85 Pomological Paragraph--Spur-type Trees Can Reduce Pruning Time by 60%
WNT '85 Reducing Winter Injury to Tree Fruits
WNT '85 Variables Influencing Size of Apple Trees and Suggested Tree Spacings
WNT '85 Bud Blast, Canker, and Dieback of Young Apple Trees in Massachusetts: A Progress Report
- SPR '85 Bill Lord Retires
SPR '85 A Clean Crop of Apples with Only Two Sprays
SPR '85 Green Fruitworm Resistance to Guthion in Western Massachusetts
SPR '85 Some Comments on Apple Tree Nutrition
SPR '85 Suggestions for Fertilization of Peach Trees
SPR '85 Understanding Effects of Weather on Apples
SPR '85 Recommendations for Use of Calcium Sprays
SPR '85 Apple Cover Sprays Unaffected by the Addition of Calcium Chloride
SPR '85 Effect of Calcium Chloride Addition on Solution pH and Hydrolysis of Certain Pesticides
- SUM '85 Compatibility of Selected Apple Rootstocks with Mass. Soils
SUM '85 Predicting the Keeping Quality of McIntosh Apples from Preharvest Mineral Analyses of Fruit
SUM '85 Biological Control of Weeds
SUM '85 Update on the Relative Toxicity of Orchard Pesticides to the Predator Mite *Amblyseius fallacis*
SUM '85 Putting Theory into Practice
SUM '85 The Soft Fruit Industry in England
SUM '85 Parking Tips for Roadside Markets
- FLL '85 Fruit Notes Subscription
FLL '85 Orchard Mouse Control: Points to Ponder and Items to Consider
FLL '85 Fate of Lead-arsenate Pesticides in Old Orchards
FLL '85 Pomological Paragraph--Lime for Scrubbing CA Storages
FLL '85 Host Learning Behavior of Apple Maggot Flies
FLL '85 Pomological Paragraph--Refrigerated Salesrooms
FLL '85 Fruit Growing in Australia
FLL '85 A Brief Summary of Rootstocks and Interstem Trees
FLL '85 Pomological Paragraph--Soil Preparation Prior to Planting
FLL '85 Comparison of Some Fruit Characteristics of "McIntosh" Apples Grown on

Seedling and M7 Rootstocks

Volume 51

- WNT '86 Alar*: What Is Its Role in Northeastern Apple Production?
WNT '86 Pomological Note--Pruning Highbush Blueberries
WNT '86 Report on the 1985 Apple IPM Program
WNT '86 Spencer Revisited
WNT '86 Gala: A New Cultivar for New England?
WNT '86 Pomological Note--Jonagold
WNT '86 Pomological Note--Apple Cultivars in West Germany
WNT '86 Recommended Pear Cultivars for the Northeast
WNT '86 Peach Cultivars for New Jersey and Their Adaptation to New England States
WNT '86 Nectarine Cultivars for New Jersey and Their Adaptation to New England States
WNT '86 Red Raspberry Cultivars for New England
WNT '86 Strawberry Cultivars for New England
- SPR '86 Scoring: An Old but Useful Technique
SPR '86 Pomological Paragraphs--Chemical Control of Vetch; Determining the Need to Thin
SPR '86 Synthetic Pyrethroids: Benefits Versus Biological Costs in Fruit Management
SPR '86 Is Chemical Peach Thinning on the Horizon?
SPR '86 A Telephone Survey of Extension IPM Program Impacts on Commercial Apple Growers in Massachusetts
SPR '86 Large Crabgrass--A Problem Weed
SPR '86 The 1985 Alar* Survey
SPR '86 Pollination of Blueberries, Strawberries, and Blackberries
- SUM '86 The Walnut Husk Fly: A New Pest of Peaches in Massachusetts
SUM '86 Pomological note: Thermometers
SUM '86 Stone Fruit Weed Control
SUM '86 Boom Sprayer Calibration and Use
SUM '86 Pomological paragraph: Harvesting Empires from Interstem Trees
SUM '86 Rules and Regulations on Pesticide Residues
SUM '86 Pomological paragraph: Disinfect Cull Bins
SUM '86 Benlate Residues on Red Delicious
SUM '86 Herbicide selection for Small Fruit
SUM '86 Results of a Telephone Survey of Extension IPM Program Impacts on Commercial Apple Growers in Massachusetts: Part II
- FLL '86 Redcort: A Superior Strain of Cortland
FLL '86 Picking up apple drops to prevent buildup of apple maggot flies in organic orchards

FLL '86	Mammal control
FLL '86	Sampling orchard soils
FLL '86	Apple replant problems
FLL '86	Update on disease-resistant apples
FLL '86	Peach rootstocks in New Jersey
FLL '86	Rootstock evaluation in Massachusetts
FLL '86	Cultivars of apples for Massachusetts
